

PEOPLE PROFILE

Ar. Gary Chen, APAM

*Bachelor of Architecture
Architect Associate*

Gary Chen started his career in 1993, he worked in two Penang practices; BL Tey Architect and WK Khor Architect before he pursued his studies. He was specializing in documentations and handling submissions to various local authorities in the early nineties.

Upon completing the Bachelor of Architecture from University of Science Malaysia in May 1999, Gary joined ZDR Sdn Bhd, an affiliate of DR Architect, France. The projects involved and completed by Gary are the Boutique Hotel Shangri-la Putrajaya, Putrajaya Core Island Urban Design (P2, P4, P18, P5 & P6), and P16 Visitor Centre.

The ZDR experience enriched Gary with a strong design, documentation and detailing skills. From his strong interest in the minimalist style, he has developed the ability to bring out the strength of materials and the play of lighting of spaces.

In 2002, Gary was employed by Sunway Construction Berhad as design manager. He acquired the design and construction management skill of handling complicated multi-millions design-built projects. The notable projects he was involved in are Lot 2G5 & 2G6 of Putrajaya and KLCC Convention Hotel.

In 2005, Gary was contracted to GCH Retail to coordinate the fast track completion of a series of supermarket and retail outlet for Cold Storage and Giant within a short period of 6 months.

Gary obtained his professional registration in 2005 and became corporate member for both LAM & PAM.
