

PEOPLE PROFILE

Jonathan K.S. Ong

*Bachelor of Architecture
Architect Associate*

Jonathan obtained his Bachelor of Architecture from University of Arkansas, Fayetteville, U.S.A. in May 1988. In Arkansas, he worked on a wide variety of projects including offices, rehabilitation hospitals and residences, .

Moving to Tulsa, Oklahoma he joined BSW Architects and was in charged of the production of Wal-Mart's chain retail stores and the development of prototype building for other corporate chain commercial and hospitality projects. The experiences enable him to be a specialist in corporate prototype buildings rollout program, utilizing different Information and Computer-Aided Design systems and softwares.

Jonathan passed the U.S. ARE/NCARB state-licensing exam and was a registered Architect in the state of Oklahoma. Rounding up his experience in U.S.A., he joined a design team in Palo Alto, California and expanded his exposure in the design of resort, casino terminal, hotel and theme park.

Jonathan joined a property development company on his return to Malaysia. Scope of work includes project management, construction supervision, liaison with the local authorities and leading the consultants. He then led a construction team as a construction manager in a contractor office.
